Email Confirmation

Once the form is submitted, you will be redirected to a confirmation page indicating that your account has been successfully created. However, to activate your account, you must confirm your email address:

1. Open the email inbox of the address you used during registration.
2. Look for a new email from **Zepter Info**.
3. Open the email and click on the **"Confirm My Account"** button inside.
4. You will be redirected to the Zepter App, where a message will confirm that your registration has been successfully completed.
5. You will then be automatically logged into your account.

If you encounter any issues during registration, feel free to contact our support team.
